**STATE OF HAWAII
CAMPAIGN SPENDING COMMISSION
ELECTRONIC FILING FORM
CANDIDATE COMMITTEE**

Candidate Committee Name: _____

Section 11-195(a), Hawaii Revised Statutes, requires all filed reports to be “certified by the candidate and treasurer.” By signing and submitting this form, the candidate and treasurer certifies the information on all “electronically filed” reports and attached schedules as true and accurate.

“Electronically filed” means that the committee will be filing reports directly through the Internet absent the signature of the candidate and treasurer. A confidential password will be issued and will serve as identification and certification of a true and accurate filing by the candidate and treasurer of the committee. Only a candidate or treasurer can obtain an electronic filing password. The password indicates that the electronic filing originated with the committee in whose name it is filed.

A change to the Treasurer will require the filing of a new “Electronic Filing Form.”
